

KING'S
College
LONDON

*Distinguish
yourself*

Study Abroad

www.kcl.ac.uk/studyabroad

Discover the world

Study for either a semester or a year at one of King's College London's 150 partner institutions in 30 countries across 5 continents.

Become a global citizen

Expand your personal and academic horizons by encountering new cultures and engaging with your subject in a wider context.

Increase your employability...

Immerse yourself in a new learning environment and receive full academic credit for your achievements.

...but not your debt

Study abroad at a partner university for no additional tuition fees and pay significantly reduced fees to King's.

Spend your summer abroad

Apply to one of King's partner universities' summer schools and continue to learn throughout the calendar year.
