

Research Ethics Committee Reference Number	Name of Trial	Date of Receipt of Valid Research	Date of NHS Permission	First Patient Recruited?	Date of First Patient Recruited	Duration between NRA and NHS	Duration between NHS Permission	Duration between NRA	Benchmark Met	A - Permissions delayed/denied	B - Suspended by sponsor	C - Closed by sponsor	D - Sponsor Delays	E - Staff availability issues	F - No patients seen	G - No patients consented	H - Contracting delays	I - Rare diseases	J - Other	Comments	Reasons for delay correspond to:	Errors
14/LO/0597	Depression: an exploratory parallel-group randomised controlled trial of antenatal guided self help for women (DAWN)	27/10/2014	30/10/2014	No		3									Y					SLaM is the lead site providing the trial intervention, however while a few participants may be recruited from SLaM this is incidental to the main recruitment and it is also likely that no SLaM patients will be recruited at all.	Neither	
13/LO/1595	Cognitive behavioural therapy vs standardised medical care for adults with Dissociative non-Epileptic Seizures: A multi-centre randomised	08/12/2014	08/12/2014	Yes	13/01/2015	0	36	36	Yes												Please Select...	
14/LO/0359	A Multicenter 26-Week Extension Study to Evaluate the Safety and Clinical Effects of Prolonged Exposure to 1 and 2 mg Doses of EVP-6124, an Alpha-7 Nicotinic Acetylcholine Receptor Agonist, as an Adjunctive Pro-cognitive Treatment in	04/12/2014	04/12/2014	Yes	23/12/2014	0	19	19	Yes												Please Select...	
14/LO/1970	Coping with unusual experiences for 12-18 year olds (CUES)	15/01/2015	16/01/2015	Yes	18/02/2015	1	33	34	Yes												Please Select...	
13/LO/0699	Evaluating the effect of the novel GLP-1 analogue, liraglutide, in patients with Alzheimer's disease (ELAD study)	28/01/2015	02/02/2015	Yes	16/07/2015	5	164	169	No							Y				A limited number of potential participants had been eligible	Neither	
14/LO/0668	Automated brain morphometry for dementia diagnosis (BrainMeasure)	04/03/2015	12/03/2015	Yes	03/08/2015	8	144	152	No				Y							Delays to opening recruitment within the Trust were due to the Chief Investigator finalising data processing arrangements between the sponsoring organisation and external provider. These have now been resolved and recruitment has now started.	Sponsor	
14/LO/1347	The use of guided self help in Anorexia Nervosa	03/03/2015	11/03/2015	Yes	14/07/2015	8	125	133	No				Y							Sponsor delayed opening the Trust as a recruitment site, delay in obtaining CRN CSO	Sponsor	
15/LO/0081	A brief Cognitive Behavioural Therapy (CBT) intervention for depersonalisation/derealisation in	06/03/2015	10/03/2015	Yes	21/04/2015	4	42	46	Yes												Please Select...	
13/SC/0120	A Prospective, Randomized, Double-Blind, Placebo-Controlled, Phase 2 Efficacy and Safety Study of Oral ELND005 for Treatment of Agitation and Aggression in Patients With Moderate to Severe	10/10/2014	14/10/2014	Yes	13/01/2015	4	91	95	No				Y							Delays were caused by the sponsor as they did not give the green light to recruit until 10/12/2014	Sponsor	
15/LO/0079	Feasibility study of a psychoeducational parenting intervention for families with parental responsibility disorders and child mental health	14/04/2015	16/04/2015	Yes	19/06/2015	2	64	66	Yes												Please Select...	
15/LO/0198	A case series study of Compassion Focused Therapy for distressing experiences	15/04/2015	15/04/2015	Yes	16/09/2015	0	154	154	No				Y							Delay by sponsor as an ethics amendment was required to the study before recruitment could begin. CI also delayed start of recruitment for the study for personal reasons. Recruitment has now started.	Sponsor	
15/LO/0687	Look at food and lose your fear: Attention bias modification for Anorexia Nervosa patients	20/04/2015	21/04/2015	Yes	06/07/2015	1	76	77	No				Y							Delay by sponsor in setting up the IT arrangements within the sponsoring organisation for eye tracker and data	Sponsor	
14/LO/0678	Developing a computerised CBT programme for adults with Obsessive Compulsive Disorder	21/04/2015	21/04/2015	Yes	08/06/2015	0	48	48	Yes												Please Select...	
14/LO/0055	Improving outcomes in adults with epilepsy and intellectual disability: A cluster randomised controlled trial of nurseled epilepsy management	01/06/2015	01/06/2015	No		0										Y					Neither	
15/LO/0601	An electronic patient decision aid for antidepressant use in pregnancy: a pilot	29/05/2015	02/06/2015	Yes	03/07/2015	4															Please Select...	
15/LO/0656	Cognitive Control in Cocaine Dependence: a stage 1 pilot study	05/06/2015	05/06/2015	Yes	15/07/2015	0															Please Select...	
14/SS/1018	Randomised, double-blind, parallel-group, placebo-controlled, fixed-dose study of Lu AE58054 in patients with mild-moderate Alzheimer's disease treated with donepezil: Study 2	31/03/2015	16/04/2015	Yes	27/10/2015	16	194	210	No				Y			Y				Initial delay was Site Initiation Visit at SLaM delayed by commercial Sponsor. There has been further delay has been due to difficulties with the P.I. availability to secure	Sponsor	
14/LO/2127	A randomized, double-blinded, placebo and lorazepam-controlled, four-way crossover, Phase II study to evaluate the effects of single oral administration of BNC210 on brain activity changes captured by functional magnetic resonance imaging	29/04/2015	13/05/2015	Yes	21/05/2015	14	8	22	Yes												Please Select...	
15/LO/0196	A sham-controlled randomised feasibility study of repetitive transcranial magnetic stimulation (rTMS) as an adjunct to treatment as usual (TAU) in adults with severe and enduring anorexia nervosa (SEAN)	20/07/2015	22/07/2015	No		2										Y				No eligible patients	Neither	
14/YH/0019	Structured lifestyle Education for People With Schizophrenia (STEPWISE)	29/07/2015	29/07/2015	Yes	21/08/2015	0	23	23	Yes												Please Select...	
15/LO/0407	Attention Control Training for Infants at Risk of ADHD (INTER-STAIRS)	18/08/2015	20/08/2015	No		2										Y				No eligible patients	Neither	
15/LO/1188	Walk This Way: A pilot study investigating the effect of a motivational pedometer based walking intervention to reduce sedentary behaviour and increase activity levels of people with serious mental ill	25/09/2015	28/09/2015	No		3														Within benchmark	Please Select...
