

Study Abroad Orientation Schedule: January 2023

	Start time	End time	Event	What is this?
Monday 9th January	10:00	11:30	Welcome to King's	ESSENTIAL: Meet the Global Mobility team and learn all the important information about the programme and your time at King's.
	14:00	15:30	Study Skills	ESSENTIAL: The way we teach and learn at King's is probably different to your home university, so come along to this session to get some really useful tips and guidance on succeeding in the UK education system.
Tuesday 10th January	10:00	12:30	Module drop-in	Questions about your modules? Confused about your timetable? Come to our drop-in session for help. Please note that we will not be making any module changes in this session.
	11:00	12:00	Physics Welcome	ESSENTIAL: For students taking modules from the Physics department, meet your Study Abroad Tutor Jeff Grube for important information about teaching, department rules and regulations, and everything else you need to know.
	12:00	13:00	Arts and Humanities Welcome	ESSENTIAL: For students taking modules from the faculty of Arts and Humanities, meet departmental staff for important information about teaching, department rules and regulations, and everything else you need to know.
	14:00	15:00	Welcome to KCLSU	Join this online session to meet Officers from the King's College London Students' Union who will tell you all about the fun clubs and societies on offer to you during your stay in London, as well as the other services they offer.
	15:00	16:00	Arts and Humanities Mixer	Come along for a cup of tea and a biscuit and get to know some of your fellow Study Abroad students who will be taking classes from the faculty.
	20:00	22:00	SIX the musical	Divorced, beheaded, died...divorced, beheaded, survived! We have a limited number of tickets available for this amazing show, and it is not to be missed. Limited tickets available.
Wednesday 11th January	10:00	12:30	Module drop-in	Questions about your modules? Confused about your timetable? Come to our drop-in session for help. Please note that we will not be making any module changes in this session.

	12:00	12:30	Biomedical Engineering Welcome	ESSENTIAL: For students taking modules from the Biomedical Engineering department, meet your Study Abroad Tutor Kawal Rhode for important information about teaching, department rules and regulations, and everything else you need to know.
	12:00	13:00	Biosciences Welcome	ESSENTIAL: For students taking modules from the Biosciences department, meet your Study Abroad Tutor Dusko Ilic for important information about teaching, department rules and regulations, and everything else you need to know.
