

KCL MedTech Accelerator Programme: Application Form Preview

The King's MedTech Accelerator is a 6-month, part-time programme for King's College London and King's Health Partners researchers and staff focused on transforming research innovations into viable healthcare ventures. Please read through the BMEIS MedTech Accelerator webpage for the selection process, programme dates, and application support.

<https://www.kcl.ac.uk/bmeis/medtech-accelerator>

For further support and/or questions during your application process, contact: kingsmedtechaccelerator@kcl.ac.uk

Applications close 7th April at midday.

- Team member (technical, clinical, commercial)
- Co-founder
- CEO
- CMO
- CTO
- We hope to figure this out as part of the programme

10. Do you have a research supervisor or PI?

- Yes
- No

11. Supervisor/PI's email:

[_____]

12. If your application is successful, will you bring a team member(s) to support you throughout the programme?

- Yes
- No

13. Please provide full names (first name, surname) of your team member. If not applicable use N/A

[_____]

14. Please provide your team members email address. If not applicable us N/A

[_____]

15. What is your team members role and/or expertise within the team? Please tick all that apply.

- Founding team member (technical, clinical, commercial)
- Founder
- CEO
- We hope to figure this out as part of the programme
- NA
- Other

16. Is this team member affiliated with King's College London?

- Yes
- No

17. Would you like to list a second team member?

- Yes
- No

18. Full name (first name, surname) of second team member. Use N/A if not applicable

[_____]

19. Email address of second team member. Use N/A if not applicable

[_____]

20. What is your second team member's role and/or expertise: (Select all that apply.)

- Founding team member (technical, clinical, commercial)
- Founder
- CEO
- CTO

- CMO
- We hope to figure this out as part of the programme
- NA
- Other

21. Is this second team member affiliated with King's College London

- Yes
- No
- NA
- Other

22. Provide an overview of the skills and experience within your team. Why are you uniquely qualified to develop and lead this venture? (250-word limit.)

[_____]

Section 3: Technology & Venture

Describe your technology, its application, stage of development, and commercial potential.

23. How would you categorise your product or technology? (Select all that apply.)

- Regulated Medical Device: Hardware
- Regulated Medical Device: Software
- Regulated Medical Device: Hardware and Software
- Regulated Digital Health
- Other

24. What is the application area of your device? (Select all that apply.)

- Cardiovascular
- Respiratory
- Neurology (Psychiatry, Psychology & Neuroscience)
- Oncology
- Women's Health (Maternal & Reproductive Health)
- Dentistry & Craniofacial
- Dermatology
- Paediatric Health
- Other

25. What is the stage of your technology?

- Research proven to feasibility and/or technology in development (proof of concept)
- Technology in demonstration (prototype development)
- First minimum viable product (MVP)

- Fully operational (pre-revenue)
- Fully operational (revenue generating)

26. Are you working with and/or completing any of the following activities (tick all that apply):
