## Application Guidance

Thank you for your interest in the [Executive MBA programme](#) at King's College London. This step-by-step guide will outline the application process on King's Apply. Please ensure that you read the full information available on the [course page](#) on our website. If you have any questions, please get in touch via [executivemba@kcl.ac.uk](mailto:executivemba@kcl.ac.uk)

Applications can be made via [King's Apply](#)

### The application process is as follows:

1. **Register:** Please click on 'Register an Account' and complete your details. You will also be asked to confirm your Marketing Preferences and Agree to the Terms & Conditions.
2. **Choose a Programme:** Please type in 'Executive MBA' and select the course. Please also read the 'Getting Started' notes as a reminder of our application requirements.
3. **Personal Information:** You will be invited to input your Personal Details, Contact Information, Equal Opportunities and Fee Status information. Upon receipt, we will review your application in full to determine your fee status, so any assessment mentioned here is not final. For further guidance, please refer to [UKCISA](#). Please note that your fee status is separate to any visa requirements.
  - Non-British nationals who indicate that they do not require a visa will be asked to provide proof of residency. Please note that the onus is on the applicant to make a successful visa application if they require one. Students who require visa sponsorship **MUST** hold a Part-time Student Visa (at the point of registration) as they will not be able to join teaching if they enter on a Visitor Visa. Please note that students studying on a Part-time Student Visa will **NOT** be able to work, attend work placements or have dependents in the UK on this visa.
  - Students that already have a different long-term visa for the UK may be able to enrol on the programme on this visa (but this is not guaranteed).

- If you have any questions regarding a visa application or whether you can use your current visa to enrol on this programme, please contact our Student Advice Team at [advice@kcl.ac.uk](mailto:advice@kcl.ac.uk). Unfortunately, admissions cannot advise on your circumstances and whether you would be suitable to study part time.
- You will be able to see a checklist at the top right-hand side of the screen to check your application progress. You can also save and return later (rather than completing in one sitting if this is more convenient).
