Network Overview	
Which region of the country do you work in?	
Which Major Trauma Network area(s) do you work in?	NB: If you are involved in more than one Major Trauma Network, please complete a separate form for each network
1..... Approx catchment population (if known)..... 2..... Approx catchment population (if known)..... 3..... Approx catchment population (if known).....	

Complete ONE form for each TRAUMA NETWORK you are involved with

NAME OF NETWORK:		
What is the constitution of your Major Trauma network:	MTCs: No of centres.....	Which
	TUs: No of units	Which
How do these units feed into and out of the MTCs in the Network?	Briefly describe pathways:	
Which Specialist Rehabilitation Inpatient services routinely take trauma patients from the MT network?	Level 1 services No of units	Which 1..... 2..... 3..... 4..... 5..... 6..... 7.....
	Level 2 services No of units	Which: 1..... 2..... 3..... 4..... 5..... 6..... 7.....
	Level 3 services No of units	Which No. Beds..... No. Beds..... No. Beds..... No. Beds..... No. Beds..... No. Beds..... No. Beds..... No. Beds.....

CONSULTANTS AND LEADERSHIP WITHIN TRAUMA NETWORK

Consultants in RM (CRM) within the Network area	Total no working in Trauma Network (if known)	
	How many work in MTCs?	Total No..... Total designated sessions.....
	How many work in TUs?	Total No..... Total designated sessions.....
Leadership at Network Level	Is there a Director of Trauma Rehab ?	<input type="checkbox"/> Yes <input type="checkbox"/> No No. funded sessions:
	If Yes – who?	<input type="checkbox"/> Consultant in RM <input type="checkbox"/> Other specialty.....
	Is there a Clinical lead for Trauma Rehab ?	<input type="checkbox"/> Yes <input type="checkbox"/> No No. funded sessions:
	If Yes – who?	<input type="checkbox"/> Consultant in RM <input type="checkbox"/> Other specialty.....
Executive level planning:	Is a Consultant in RM involved at executive level?	<input type="checkbox"/> Yes <input type="checkbox"/> No If so how?
Publication	Have you published any information regarding your MT Rehabilitation Service?	<input type="checkbox"/> Yes <input type="checkbox"/> No If so what / where?

Development of CRM Posts within your Network	
Has your Major Trauma Network acknowledged the need for new CRM posts since the Network was launched?	<input type="checkbox"/> Yes <input type="checkbox"/> No
How have new CRM posts been funded?	
Have you advertised for a consultant in RM specifically in relation to major trauma rehabilitation since 2010?	<input type="checkbox"/> Yes <input type="checkbox"/> No
If yes – did you fill it?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Do you have current/future plans for further posts?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Any other information about the network?	

INPUT OF CONSULTANTS IN RM TO DESIGNATED MAJOR TRAUMA CENTRES

<p>NAME OF MTC:</p>		
<p>Consultant in RM (CRM) input</p>	<p>Is there CRM input into this MTC? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p>Basis: <input type="checkbox"/> Ad hoc as required <input type="checkbox"/> Designated sessions in Job Plan: No PAs paid by MTC..... No PAs paid by Rehab Service..... <input type="checkbox"/> Other.....</p>
	<p>Is this specifically for trauma or for other cases as well?</p>	
	<p>How many times/ wk does the CRM visit?</p>	
	<p>Approximately how many hours per week does the CRM spend on the MTC service?</p>	
	<p>Is there a regular CRM ward round / MDT meeting on the MTC?</p>	<p><input type="checkbox"/> Yes <input type="checkbox"/> No If yes how many times per week?..... Who else attends?</p>
	<p>Where are patients seen?</p>	<p><input type="checkbox"/> Dedicated inpatient rehabilitation beds <input type="checkbox"/> Neurosciences unit <input type="checkbox"/> Trauma ward <input type="checkbox"/> Critical Care areas <input type="checkbox"/> Other.....</p>
	<p>Who identifies which patients need to be seen by the CRM? How is this done?</p>	
	<p>Does a CRM provide on-call out of hours cover to the MTC?</p>	<p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>
	<p>Does the CRM provide input to the MTC at weekends?</p>	<p><input type="checkbox"/> Yes <input type="checkbox"/> No If so in what form?</p>

OTHER SPECIALIST REHABILITATION INPUT TO DESIGNATED MAJOR TRAUMA CENTRES

<p>NAME OF MTC:</p>		
<p>Other specialist rehab support to MTCs</p>	<p>Is the CRM supported by other staff who regularly visit the MTC?</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p>If yes which:</p> <p><input type="checkbox"/> Specialist registrar / Trust grade doctor Discipline.....Grade.....</p> <p><input type="checkbox"/> Consultant AHP/Nurse Discipline.....Grade.....</p> <p><input type="checkbox"/> Other senior AHP / nursing staff Discipline.....Grade..... Discipline.....Grade..... Discipline.....Grade..... Discipline.....Grade.....</p> <p>Or</p> <p><input type="checkbox"/> Ad hoc Specialist Rehab MD Team members</p>
	<p>Is this specifically for trauma or for other cases as well?</p>	
	<p>How many times/ wk do they visit?</p>	
	<p>Approximately how many hours per week do they spend on the MTC service?</p>	
	<p>Do they attend a regular ward round / MDT meeting on the MTC?</p>	<p><input type="checkbox"/> Yes <input type="checkbox"/> No If yes how many times per week?..... Who else attends?</p>
	<p>Where are patients seen?</p>	<p><input type="checkbox"/> Dedicated inpatient rehabilitation beds <input type="checkbox"/> Neurosciences unit <input type="checkbox"/> Trauma ward <input type="checkbox"/> Critical Care areas <input type="checkbox"/> Other.....</p>
	<p>Who identifies which patients need to be seen by the Specialist rehabilitation team member?</p> <p>How is this done?</p>	

About on-site designated specialist rehabilitation beds in this MTC		
Designated rehabilitation beds on site at the MTC	Are there designated rehabilitation beds on site at the MTC? <input type="checkbox"/> Yes <input type="checkbox"/> No	If Yes – what level: <input type="checkbox"/> Hyper-acute – No. beds:..... <input type="checkbox"/> Level 1 No. beds:..... <input type="checkbox"/> Level 2a No. beds:..... <input type="checkbox"/> Level 2b No. beds:..... <input type="checkbox"/> Level 3 No. beds:.....
Who has Consultant responsibility for these beds?	<input type="checkbox"/> Consultants in RM <input type="checkbox"/> Other Consultants: which specialty..... <input type="checkbox"/> Shared care: with which specialty.....	

About the <u>basic</u> Rehabilitation Prescription in this MTC	
Is the basic rehabilitation prescription implemented in your MTC? <input type="checkbox"/> Yes <input type="checkbox"/> No If yes, please answer below If no, please go on to next question	
How is it completed?	<input type="checkbox"/> Electronically <input type="checkbox"/> Paper form <input type="checkbox"/> A mixture of the two
Who completes it	<input type="checkbox"/> The MTC team without consultant in RM input <input type="checkbox"/> The MTC team with consultant in RM input <input type="checkbox"/> It varies.. <input type="checkbox"/> Individual therapy disciplines without CRM input
Who signs off the completed prescription?	
Who is it completed for?	<input type="checkbox"/> All patients <input type="checkbox"/> Patients with ISS Score <input type="checkbox"/> Other selection criterion.....
What is the approximate rate of compliance?% <input type="checkbox"/> Don't know
When is the prescription started?	Within hours of admission
When is the prescription completed?	
Is the prescription updated by the MDT as the patient's condition changes?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Is the prescription a patient-held document?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Is the prescription used for any other groups of patients apart from trauma?	<input type="checkbox"/> Yes <input type="checkbox"/> No If yes which patients?
Does the basic RP contain any standard measures – if so which	<input type="checkbox"/> None <input type="checkbox"/> Rehabilitation Complexity Scale <input type="checkbox"/> Measure of dependence: Barthel / FIM / NPDS <input type="checkbox"/> Other.....
Any other comments about the basic RP	

About the Specialist Rehabilitation Prescription in your MTC	
Is the Specialist Rehabilitation Prescription implemented in your MTC? <input type="checkbox"/> Yes <input type="checkbox"/> No	
If yes , please answer below If no , please go on to next question	
How is it completed?	<input type="checkbox"/> Electronically <input type="checkbox"/> Paper form <input type="checkbox"/> A mixture of the two
Who completes it?	<input type="checkbox"/> Consultant in RM input <input type="checkbox"/> Other dedicated member of the team <input type="checkbox"/> Individual therapist with no CRM input What discipline and grade?
Which tools are routinely recorded?	<input type="checkbox"/> Patient Categorisation checklist <input type="checkbox"/> Full Patient Categorisation (PCAT) tool <input type="checkbox"/> RCS-ET <input type="checkbox"/> RCS-E <input type="checkbox"/> Trauma impairment set <input type="checkbox"/> NPDS <input type="checkbox"/> FIM <input type="checkbox"/> UK FIM+FAM Other:
Do you routinely contribute to UKROC for major trauma rehabilitation patients?	<input type="checkbox"/> Full dataset supported by Network arrangements <input type="checkbox"/> Full dataset supported by local arrangements <input type="checkbox"/> Partial dataset supported by Network arrangements <input type="checkbox"/> Partial dataset supported by local arrangements <input type="checkbox"/> Other <input type="checkbox"/> No

Development of CRM Posts within your MTC	
Has your Major Trauma Centre acknowledged the need for new CRM posts since the Network was launched?	<input type="checkbox"/> Yes <input type="checkbox"/> No
How have new CRM posts been funded?	
Have you advertised for a consultant in RM specifically in relation to major trauma rehabilitation since 2010?	<input type="checkbox"/> Yes <input type="checkbox"/> No
If yes – did you fill it?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Do you have current/future plans for further posts?	<input type="checkbox"/> Yes <input type="checkbox"/> No

GAPS IN CURRENT SERVICE PROVISION

Gaps in current service provision	
What to you perceived to be the major strength of your MTC and its associated rehabilitation network?	
What are the current weaknesses / gaps in service provision?	
How do you think these should be addressed?
