

Professional Development

- **Higher Education Academy** - We will support applications for HEA membership (usually this would be in your second year of teaching). For GTAs this is usually 'associate fellow' status. How can we support you in this.
- King's Academy offer a number of workshops to support you through your HEA application. The first of the workshops 'Introduction to the HEA' is mandatory. This workshop presents an overview of the purpose for applying for fellowship, a description of the application and how to begin writing your Application. For more information: <https://internal.kcl.ac.uk/kingsacademy/Programmes/HEA-Recognition.aspx>
 - DSD, upon request, can organise a teaching observation for you.
 - Provide guidance on what is required for the application.
 - Provide you with at least one of your required references.
 - For further information on HEA membership including key information, application packs and so forth – <https://internal.kcl.ac.uk/kingsacademy/Programmes/HEA-Recognition.aspx>
- **Continuous Professional Development:** A range of workshops are offered through King's Academy. Our DSD Newsletter will signpost these with information on how to sign up. Likewise for any workshops to be held at DSD. Please feel free to sign up to any of these.
- **King's Academy GTA One Stop Shop** is a hub for learning and teaching resources to support the professional development of GTAs across King's. It is designed as a central platform on which you can find information and links to all things GTA-related.
