Careers Fair	DISCOVER FOCUS	King's Careers & Employability	Great Hall, Strand; TARGETconnect	Synchronous Physical or Virtual	BRAND ATTRACTION <i>Commercial Awareness</i>	For physical events, we anticipate employers sending 3-4 representatives from across their graduate recruitment/HR teams and the business itself – and we always suggest at least one of these is a King's alum (if you have them!) <i>We provide lunch vouchers for up to 3 representatives per stand.</i> For virtual events, this is dependent upon how many 'one to one' slots you wish to hold, and when you would like to be online during the day itself. We suggest a minimum of 3 members of your 'chat team' being available and remember, you can also host your own presentation any time during the fair itself.	NO
