Global Placements

Employer Speed Meet

Joining Pack 2024–25

Welcome!

Thank you for signing up to attend our Global Placements Employer Speed Meet. In this pack, we share further details about the event, as well as ask you for some information to share with our students.

Global Placements
King's Employer Engagement

Schedule

This event will be facilitated through MS Teams

Time	Who	What
10:00 – 10:15	ALL PARTIES	Global Placements staff will give a brief introduction and outline of event and assign students group numbers.
	Employer	Each employer to give quick one minute introduction of who they are, what opportunities they are offering and include one top tip for successful applications.
10:15 – 11:35*	Student	Go to your individual MS Teams meeting (<i>meeting links for each employer will be emailed</i>).
	Student	Move to their first employer (<i>dependent on allocated group</i>)
	King's Staff	A staff member will stay in each employer MS Teams meeting to will monitor time, direct students to the next organisation. Additional staff will remain in main MS Teams meeting, in case any student/employer gets “lost” navigating different meetings / to answer general questions.
11:35 – 11:50	ALL PARTIES	Closing thoughts, last minute tips and any Q&A's

**Each employer will have about ~10 minutes per group of students. You can use this time as you wish, if you would like to use presentations/videos, etc., you're more than welcome to. The groups of students to allow for movement between employer meetings.*

Your Audience

The event will be open to bookings from students in their first and second year of the following:

King's Business School	Natural, Mathematical & Engineering Sciences
<ul style="list-style-type: none"> • <u>International Management BSc</u> • <u>Business Management with a Year in Industry BSc</u> • <u>Economics & Management with a Year in Industry BSc</u> 	<ul style="list-style-type: none"> • <u>Artificial Intelligence with a Year in Industry BSc</u> • <u>Computer Science with a Year in Industry BSc</u> • <u>Computer Science with Management & Year in Industry BSc</u> • <u>Chemistry with a Year's Professional Placement BSc</u> • <u>Chemistry with a Year's Professional Placement MSci</u> • <u>Chemistry with Biomedicine with a Year's Professional Placement BSc</u> • <u>Chemistry with Biomedicine with a Year's Professional Placement Msci</u> • <u>Mathematics with Management & Finance with Year in Industry BSc</u> • <u>Mathematics with Statistics with Year in Industry BSc</u> • <u>Mathematics with Year in Industry BSc</u> • <u>Mathematics with A Year in Industry MSci</u>

Note, students from both King's Business School and the Faculty of Natural, Mathematical & Engineering Sciences who do not officially have a Year in Industry/Year's Professional Placement may also join, as they can opt "onto" these programmes during the academic year.

Preparation

We suggest preparing answers or responses to some of the following questions:

- *What are the top 3 differences between working in your country and working in the UK do you think?*
- *What are the top three skills you are looking for when reviewing Placement Applications?*
- *How many different stages are there to your recruitment process?*
- *What one way can I make my application stand out against the crowd?*
- *What is the employee culture like?*
- *How are Placement students onboarded and integrated into the company?*
- *Which experiences or work experiences do you value more than others?*

Further Information

Review our full web [Employer Event: Joining Instructions](#), including best practice guides, student demographics, support to understand our student careers journey and information on equality, diversity & inclusion and environmental, social & corporate governance.

Employer Event: Joining Instructions

Welcome to King's!

Thank you for recruiting at King's and your interest in our students, researchers and alumni.

We're excited to welcome you back to our campuses, and to continue innovating in virtual activity.

King's will be one of many universities you're engaging with, so we've compiled all the essential information together here - it's designed to help you make the most of your recruitment campaign here at King's.

Contact & Technical Support

Events hosted physically or on our own platforms will always have support from our team, either live on the system or 'on call' should anything go wrong, or the platform fails.
