

STUDENTS

Your gift can help a student like Sigourney on their path to university:

'The K+ programme supported me during the university application process and taught me that no dream or goal is too big to conquer. In my first year I received the Start-up Scholarship, which allowed me to make the most out of my time at university without having to worry about my finances or neglect my studies.

'I am so grateful to the alumni who have made K+ and the scholarship possible for me – I wouldn't be where I am now without them.'

Sigourney, 3rd year Physics
