

## HOW TO GET TO GUY'S HOSPITAL AND THE CENTRE FOR STEM CELLS & REGENERATIVE MEDICINE

(Map on next page)

### **By underground:**

**London Bridge** (Northern and Jubilee Lines): 1 minute walk

### **By train:**

**London Bridge** (mainline): 1 minute walk

### **By bus:**

Buses stopping in Tooley Street: 47

Buses stopping at London Bridge Station: 21, 43, 48, 149, 343, 381, N381 & 521

Buses stopping at Borough High Street: 21, 35, 40, 47 & 133

### **Parking:**

There is very limited pay & display car parking directly in front of the hospital's main entrance on Great Maze Pond and there is also an NCP car park on Snowsfield. Motorcycles can park for free outside the hospital's main entrance.

### **Bicycle stands:**

The Campus has two secure bike parks available for staff and students with access activated on their College ID card.

Hodgkin Building Secure Bike Park - 24 hours a day, 7 days a week

Nag's Head Yard Secure Bike Park - 07.00-19.00, Monday to Friday (the bike park is locked outside these hours).

### **From London Bridge underground or mainline station:**

Follow signs for Guy's Hospital / The Shard. Once on St Thomas Street (next to The Shard), follow the signs for Guy's Hospital. This takes you down a street called Great Maze Pond (which is partially pedestrianised).

---

**Follow signs for Guy's Hospital main entrance** (shown as a disabled access entrance, between no.14 & no.3 on the map on the next page). When you enter the main entrance through the large revolving doors, keep left, past the AMT Coffee Shop, following signs for the Tower Wing and Lift Lobby 'A'.

To reach the **Centre for Stem Cells & Regenerative Medicine** take the lift to the 28<sup>th</sup> floor. When you arrive at the 28<sup>th</sup> floor please follow instructions displayed on the Centre's door regarding how to gain access.
