Student Advice Service
In collaboration with The Residences

www.kcl.ac.uk/advice
Champion Hill Residence is located in Camberwell, an urban area of London with good transport links.

Among the benefits of living in Camberwell is the price – you can live for much less here than in most other areas of London. There are many cheap restaurants and amenities nearby and you will be at the heart of multicultural London.

It is close to the Dulwich Picture Gallery, which is the oldest purpose-built public art gallery in England, and the Red Gate Gallery which organises a vast range of innovative exhibitions, from young and emerging artists, to the more established. The Horniman Museum and Gardens housing an intuitive collection of cultural, anthropological and environmental exhibits, is a short bus ride away in Forest Hill. Also nearby is the Crystal Palace National Sports Centre, which is an international venue for major athletic meetings. Look out also for details of the Free Film Festival in March and Arts Festival in June.

The campus provides facilities for the School of Medicine and the Dental Institute and is the home of the Institute of Psychiatry, Psychology and Neuroscience.

Getting around

London has a vast public transport system and an ‘Oyster’ card is generally the cheapest way to make single journeys in the Capital. It can store up to £90 of credit, which can be used to pay as you go plus your Travelcard or Bus and Tram Pass. It can be used on London Buses, London Underground, London Trams, the DLR, London Overground and some National Rail services in London. You can also get up to a 1/3 off River Bus services.

Pay as you go has several advantages over single paper tickets:

- Oyster single fares are generally cheaper
- Credit can be used as you need it and doesn’t expire
- Daily price capping automatically calculates the cheapest fare for all the journeys you make in a single day
- Please note that bus fares are no longer payable in cash and must be bought in advance

If you have a ‘Contactless’ credit or debit card they can be used in the same way. If there is a group of you travelling together check at the ticket kiosk if a group ticket would be cheaper.

An 18+ Student Oyster photocard (£10 annual fee) entitles the holder to buy student-rate Travelcards and Bus and Tram Pass season tickets (valid for 7 days, or one month or longer periods of up to one year), which cost 30 per cent less than an adult-rate season tickets. Credit can also be added to an 18+ Student Oyster photocard to pay as you go but single, daily, 3 Day tickets and Oyster single fares (pay as you go) are not available at student rate. If you live near the campus you study at or only make a few journeys you can get a standard Oyster card and pay as you go at the adult rate.
