Cutcombe Road

Welcome to the Weston Education Centre Library

The library entrance can be found on the ground floor of the Weston Education Centre Building on the Denmark Hill Campus.

To gain access you will need your **King's ID card**.

You will then find the **Library Information Point** on your right as you enter.

Staff can be recognised by their purple lanyards or T-shirts.

Spread across **two floors**, the library hosts a variety of study spaces, such as:

- **Computer Rooms** (one with NHS PCs)
- **Group Study Rooms**
- **Study Pods**
- **Postgraduate Zone**

If you want to find a book, use the **Library Search PCs**. Note the collection, classmark, and location of it.

Then use the directions on the **floor plans** (pinned to the walls throughout the library) to get to the book. All the standard loan books are on the first floor.
