

Twenty seventh meeting of the

Sponsored by

London Myology Forum

At the UCL Institute of Neurology, 33 Queen Square,
London WC1N 3BG

Wednesday 14th February 2024

1.00 - 1.40 pm: **Nancy Curtin & Tim West**

Imperial College London & Royal Veterinary College

*'Are in vitro measures of power and efficiency of
shark muscle relevant to intact, swimming sharks?'*

1.40 - 2.20 pm: **Stephen Harridge**

King's College London

*'Challenging perceptions of ageing
muscle and sarcopenia'*

2.20 - 2.40 pm: **Konstantina Tetorou**

University College London

*'Characterization of dystrophin isoforms
and protein complexes in the mouse brain'*

2.40 - 3.00 pm: **Joshua Greig**

King's College London

*'GLUT4 trafficking by a muscle
specific clathrin isoform'*

3.00 - 3.30 pm: **Break**

3.30 - 4.00 pm: **Ana Töpf**

Newcastle University

*'Digenic inheritance involving a muscle specific
protein kinase and the giant titin protein
causes a skeletal muscle myopathy'*

4.00 - 4.20 pm: **Solene Sohn**

University College London

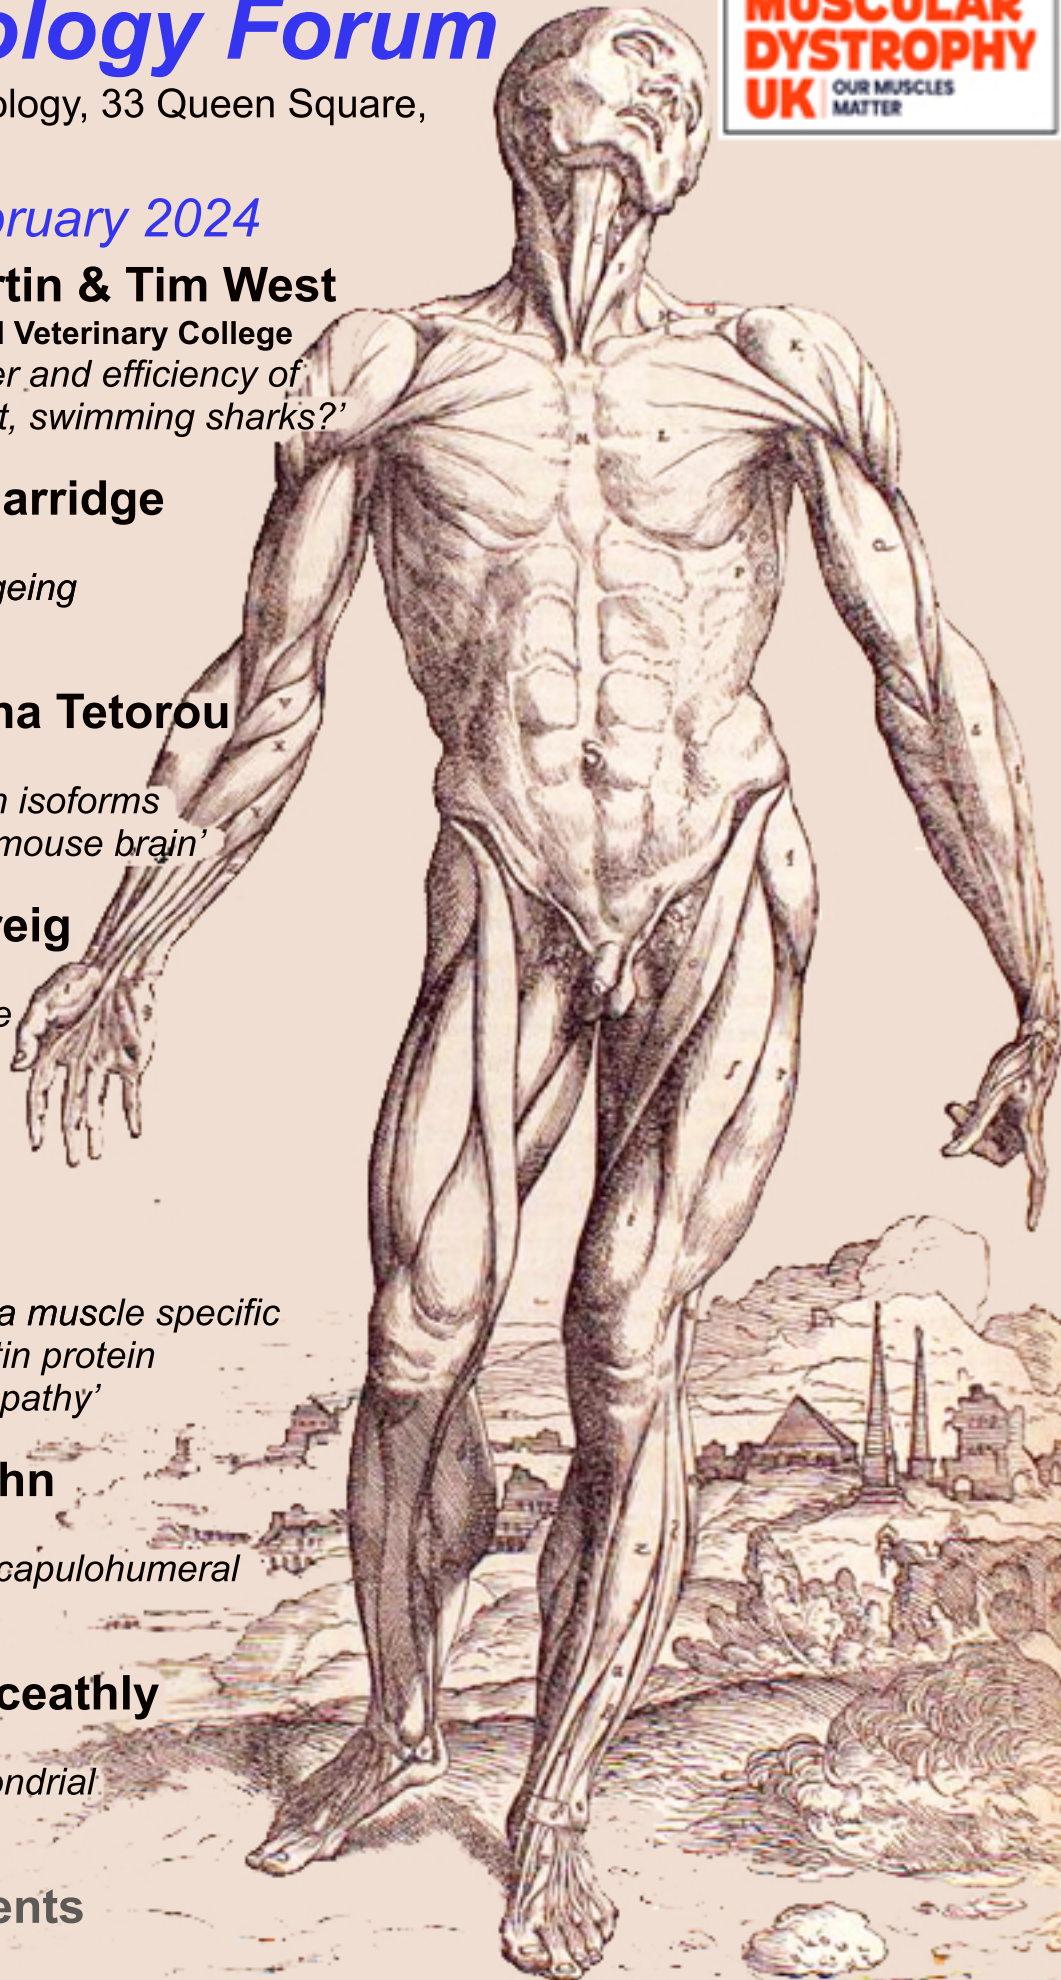

*'AAV-based therapy for facioscapulohumeral
muscular dystrophy'*

4.20 - 5.00 pm: **Robert Pitceathly**

Institute of Neurology, UCL

*'Cardiolipin in primary mitochondrial
diseases and beyond'*

5.00 - 6.00 pm: **Refreshments**
