

The Personalisation Agenda *Success or Failure for Older People?*

The annual Age UK Bristol and Brunelcare Research Forum event will focus on the personalisation agenda and how it is affecting older people.

Speakers will bring insight and debate from their current research in this area. We invite you to join us for what promises to be an interesting day for anyone involved in working with older people.

A delicious brasserie lunch will be provided.

Tickets

£25 per person including lunch and all refreshments.

Please book well in advance to confirm your place.
