**Important: please read these guidance notes very carefully before completing the form.**

## **What is the Kenshole Family Scholarship?**

In celebration of the 50th anniversary of her graduation and in recognition of the Kenshole family's century-long connection with Guy's, Dr Anne Kenshole has set up the Kenshole Family Scholarships, a pair of prestigious and generous scholarships that will be awarded to 2 medical students in their first year of the MBBS 5yr programme at King's (or the second year of their EMDP 6yr programme).

Each scholar will receive £1,000 per year for the 5 years of their course. This award will assist with the cost of studies by paying for medical equipment, books and the expenses associated with living in central London. The award will be made on the basis of academic promise and financial need. Intercalated years, period of interruption and repeat/resit years will not be funded.

## **Am I eligible to apply?**

Applications are invited from all full-time 'home' fee status meeting the following criteria:

- *First year on the MBBS 5yr programme or second year on the EMDP 6yr programme in 2020-21;*
- *Undertaking your first degree;*
- *Must be in receipt of their maximum entitlement to student loan for maintenance (i.e. household income must be £50k or less);*
- *No payment for intercalated years, repeat/resit years or breaks in study;*
- *Students must submit to the fundraising and supporter development office, a thank you letter on receipt of the scholarship and then a report of their academic activity of every year of their study (this includes their first year that they will have just completed). The Stewardship team will be notified by the medical school who the recipients of the award are and their contact email address-both personal and university;*
- *Each year thereafter the students are sent a reminder for updates by the stewardship team*
