

ACU Global Summer School Grants – marking guidance

| Form element | Guidance | Maximum marks |
|---|---|---------------|
| Statement 1 Explain why you wish to participate in the summer school you have chosen and how your studies and/or interests fit with the theme | Award the highest marks to candidates who show evidence of having researched their first choice of summer school and have given examples of how their studies/interests align with the theme | 10 |
| Statement 2 Explain what you feel you will bring to and gain from the event, making reference to your personal development and your future study and career plans | Award the highest marks to candidates who state what they will contribute to as well as gain from the summer school, and show evidence of having considered how attending the summer school will benefit their future studies and/or professional life | 10 |
| Statement 3 Briefly describe how you plan to share and communicate the knowledge gained during the summer school | Award the highest marks to candidates who give examples of how they will share their experiences (for example, through social media, through sharing their experiences with a student group, through submitting an article to the university website, etc.) | 5 |

Maximum possible marks: 25
