Before submitting your application please ensure you have checked the minimum entry requirements specified in our online prospectus. - You should pay your application fee by debit or credit card – the amount of the fee is indicated in the table above.
- All application fees are non-refundable, irrespective of the outcome of decision on the application.
- Payments are for each application you make, rather than per person; therefore if you choose to apply to two programmes which both require a payment, you must make both payments.
- This application fee is separate from any future deposit payment you may be asked to make if you receive an offer.

How to pay:

King's College London offers this card payment service to enable you to make payment of the application fee securely, quickly and easily.
